Complex Amenities: This complex combines classical and modern styles, designed to ensure maximum comfort. Using light shades, simple forms, and characteristic interiors, it creates a sense of space and coziness. Public areas and botanical gardens add charm, while infrastructure and residential areas provide tranquility. On-site facilities include: reception desk, library, gardens, lobby, administration, rooftop terrace, pool, laundry, beach shuttle, parking, and round-the-clock security.

In the apartment: The designers have embedded significant potential for increasing rental income and capital growth in the project, maximizing all the benefits of luxurious living in

modern conditions. A special role in the residence's design is played by a fantastic mix of colors, with the classic turquoise shade standing out, reminiscent of semi-precious stones. A characteristic feature of the apartments is the perfectly chosen natural lighting, spaciousness, and the combination of top-quality materials. The blend of original local materials, fine wood, and various tiles illuminates the interior space with a magical charm.
